

We at IBM Quantum are thrilled to invite our valued partners and clients to register early for the **2025 Qiskit Global Summer School!**

In celebration of the [International Year of Quantum](#), this year's program will take participants on a captivating journey through the history of quantum computing. From foundational experiments, to the latest algorithmic breakthroughs, and the future of quantum error correction, participants will gain deep insights into the full arc of the field's development.

Join us for this one-of-a-kind opportunity to learn, engage, and be inspired alongside a global community of quantum enthusiasts! Scan the QR code below or click this link to register via the exclusive partner and client registration form: [IBM.biz/QGSS-QIC](https://ibm.biz/QGSS-QIC)
